

Future of Work – Speakers’ Profiles

Mr Oliver Tonby, Chairman, Asia, McKinsey & Company

Oliver is the Chairman of McKinsey’s offices in Asia and a core leader of McKinsey’s Digital Capability Centre in Singapore. He holds a Master in Business Administration from INSEAD and a Master of Science in Biochemical Engineering from the Norwegian Institute of Science and Technology.

In his career at McKinsey, Oliver has worked across multiple industries, including energy and materials, industrials, private equity and technology. He has worked alongside clients on large-scale, integrated transformation and growth; including internationalisation, organisational development, leadership development, operational development, strategic planning and mergers and acquisitions.

Ms Dione Song, Chief Executive Officer, Love, Bonito

Dione is the Chief Executive Officer of the home-grown fashion label, Love, Bonito. She is a thought leader in modern consumer technology and retail and has a breadth of experience across direct-to-consumer and e-commerce portfolios. Dione has been featured three years in a row in LinkedIn’s Top 30 Power Profiles. She is also listed as one of the top 50 personalities in Singapore by Forbes, The Business Times, and Her World Plus.

Dione joined Love, Bonito, in 2017 as Chief Commercial Officer before becoming the group’s first Chief Executive Officer in April 2021. Today, Love, Bonito is the largest women’s direct-to-consumer brand in the region, with the mission to empower the everyday Asian woman and inspire self-confidence.

Mr Kok Ping Soon, Chief Executive, GovTech

Ping Soon is Chief Executive of the Government Technology Agency of Singapore (GovTech), the lead agency driving Singapore’s Smart Nation initiative and public sector digital transformation.

Prior to his current appointment, Ping Soon held various positions in the Ministry of Manpower, National Security Co-ordination Secretariat, Ministry of Trade & Industry, Singapore Tourism Board, Contact Singapore (CS) and Economic Development Board (EDB). He spent six years in the United States working for CS and EDB.

Moderator: Ms Dawn Lim, Vice President & Head of Commercial and Professional Services, EDB
