

Future Workforce – Speakers’ Profiles

Ms Ng Wee Wei, Country Managing Director, Accenture Singapore (Public Service Growth Markets Industry Lead)

Wee Wei is a leading voice in Accenture, shaping thought leadership for public service delivery in a new era.

Wee Wei joined Accenture in 1995 and has spent the majority of her career working with government clients. Her first project was to enable the corporatization of the Public Utilities Board. Her other significant government projects include the development of the New Financial Systems for the whole of government in Singapore, the development of School Cockpit (which is a central system used by all pre-tertiary schools in Singapore) and the development of E-HR as part of the HR Transformation programme with Singapore’s Ministry of Defence. She is also the sponsor for several iconic Singapore national projects, including the Next Generation NS Portal and the whole-of-Government Workday implementation.

Mr Lim Eng Hwee, Chief Executive Officer, Urban Redevelopment Authority

Eng Hwee has been the Chief Executive Officer of the Urban Redevelopment Authority (URA) since September 2017. URA is Singapore’s national planning agency, responsible for the physical planning and urban development of Singapore.

Mr Lim was formerly the Chief Planner and Deputy Chief Executive Officer of URA from 2009 to 2017. He has extensive experience in urban planning, urban design, implementation of land use policies and development initiatives. He also served in the Ministry of National Development and Ministry of Trade and Industry.

Ms Aileen Tan, Group Chief Human Resources Officer, Singtel

Aileen is responsible for Singtel Group’s overall strategic people and sustainability agenda. She has over 30 years of experience in various leadership roles spanning across multiple industries and geographies.

Aileen joined Singtel in 2008. In her current role, she focuses on championing sustainability, creating an inspiring culture and making Singtel Group a place for amazing people to deliver extraordinary impact. Under her leadership, Singtel has won numerous global and regional accolades for its leading people and sustainability practices.

Moderator: Mr Jason See, Senior Director (Data Sciences & Artificial Intelligence), Government Technology Agency of Singapore (GovTech)
