SINGAPORE 198742

Heavily inspired by the primitive method of slow-smoking steaks to bring out its tenderness and flavour, it's the only way we cook our meats. Every steak we select are of premium quality as we want to stay true to our commitment of providing mouth-watering steaks and an extraordinary steak experience. As we like to say, we don't only do steaks, we give experience. Experience it for yourselves and enjoy 5% off your total bill.
